The will of "Peter Asselstine Junior" (may have been this Peter of John's son Peter) names wife "Barbary" and sons John, Daniel, William, and four daughters not named. There is a great deal of confusion between this Peter and John's son Peter, and it may be that some of the above children belong to one of the other Peters.

Dear Dr. Burleigh:

I finally found the family record I mentioned and am enclosing a copy. As you will see, it is mostly our Huffman connections (through my grandmother, Lucy Huffman), but perhaps you will find it helpful.

I am also enclosing some notes I typed up on the Asseltines when I first started to work on them. It is very sketchy and I imagine you may have more information than I. I imagine when it comes to actual records (Land Office, etc.), you would have them but if not, I could copy these too. Some of these came from the Public Records Office and some were secured by Miss Julia Jarvis of the University of Toronto, who was quite helpful in my early researches. I also have some cemetery records gathered by Lt. John Asselstine of London, Ontario.

If Mary Asseltine contacted you during the Seminar, she probably had these records with her and may have checked them with you. If not, I can be more explicit.

I will be happy to share with you any notes I have and if you have any questions, please let me know.

Sincerely,

Laura L Esseltine
